Director General of Police,
Punjab, Chandigarh.

Subject: Request for the establishment of a new Police Station at Sector-125, Kharar.

Dear Shri Gaurav Yadav Ji,

I wish to draw your kind attention to an important public safety and law-and-order matter concerning Sector-125, Kharar. Over the past few years, there has been a significant increase in population in this area, including a large number of migrant residents. The population in and around Sector-125 is estimated to be around 60,000, which has put immense pressure on existing policing arrangements.

At present, this area falls under the jurisdiction of the Kharar Police Station, which is located at a distance of approximately 10 kilometres. Due to this distance and the rapidly growing population, timely police assistance during emergencies, accidents, and law-and-order situations often gets delayed, causing hardship to residents and challenges for effective policing.

Considering the larger public interest, maintenance of law and order, and the need for prompt police response, it is humbly requested that a new Police Station be established at Sector-125, Kharar. This step will greatly strengthen policing, improve response time, and ensure better safety and security for the residents of the area.

I shall be grateful for your kind consideration and necessary directions in this regard.

Yours Faithfully,

(Malvinder Singh Kang)
